## WATERFORD

Mr. and Mrs. Kelley here from New  
Jersey—Mr. and Mrs. Hall of Buffalo,  
N. Y. Visit Relatives.

Carl Plummer of Bridgton called to  
see his mother, Mrs. Mellen Plummer, at  
Highland Farm, Sunday.

Arthur Millett is working on the road  
at East Waterford and Harold Millett  
is driving his truck there for him.

Sylvia Millett visited her cousins, Edna  
and Ethel Kimball at South Waterford,  
Wednesday night and they came home  
with her and visited until Friday night.

Elizabeth Millett was at home for a  
short time Sunday from her work at  
Camp Ha-wa-ya.

Mr. Addison Millett called on Mrs.  
C. H. Pride, Wednesday afternoon.

Addison Millett and daughter, Eloise,  
and Howard and Sylvia Millett attended  
Old Home Day at Harrison, Saturday  
afternoon.

Mr. and Mrs. John Kelly and son,  
Joseph, of Montclair, N. J. took dinner  
with Mrs. Kelly's cousin, Mrs. Addison  
Millett, and family, Sunday, Mr. and  
Mrs. George Greenleaf were there also.

Callers in the afternoon were Mrs. Henry  
Warren and daughter, Constance and  
Miss Mary Warren of Vermont, daughter  
of Samuel Warren formerly of Water-  
ford and Geo. Rice and family.

Mr. and Mrs. Carroll Hall and son,  
Donald, of Buffalo, N. Y. called at  
Arthur Millett's, Friday afternoon. Mr.  
Hall is the son of Mr. and Mrs. Geo. Hall,  
formerly of Waterford, a cousin of Mrs.  
Millett's and has not been in Waterford  
since he was a small boy, twenty-nine  
years ago. He is now, with his family,  
making a flying trip to Maine. With  
them were Mr. and Mrs. Merritt Savin,  
his aunt and uncle, where they were stay-  
ing here, also Mrs. Annie Holt and  
son, Edward, of Norway.

The community was saddened to hear  
of the death of Freeman Hagood, at  
Hagood was a genial, kindly man, a  
friend to everyone. He will be greatly  
missed.

Dr. and Mrs. Eliot Bishop and son,  
are enjoying a trip to St. Johnsbury, Vt.

A great deal of interest in the church  
building fund is being shown by the sum-  
mer guests and all the camps are giving  
contributions for the fund. The church  
people are very appreciative of all the  
help that has been given them.

Dr. Skelton's lecture on his trip to  
Yellowstone Park for the benefit of the  
church building fund, was well attended  
and very interesting.

Arrivals at Stone Home, Mrs. DeWald,  
Mr. Cliff Cox, wife and little daughter,  
Mrs. Peacock and daughter.

Camp Kokosing will present "The  
Forest Princess" in the Pine Grove,  
Saturday afternoon, August 18, 2:30  
Standard time. A silver collection will  
be taken for the benefit of South Water-  
ford church.

Eloise Millett and Elizabeth Saunders  
went, Sat. morning, Aug. 4 to Newville  
to attend the wedding of Ruby Hodgkins,  
a former classmate of Gosham Normal  
School; to Rev. Willard D. Callender of  
Farmington, New Hampshire. They  
made the trip by car, accompanied by  
Chas. Bennett and Howard Millett.

A good number from this neighborhood  
attended the Chautauque which was  
very good this year.

It seems as though the having season  
was fatal this year. If we have a good  
sunshiny day, we have showers before  
night, which makes it impossible to get  
the hay in that day.

Harold Millett and family were in Rum-  
ford, Sunday, August 5th.

Miss Jesse Murphy of Bridgton visit-  
ed her sister, Mrs. Mellen Plummer, at  
Highland Farm, recently.

Kokosing Notes  
Camp Kokosing girls are beginning to  
work off the "finals" in all sports, and  
announce Friday, August 24th, as the  
date for the final swimming meet between  
the Kokos and the Slugs. Miss Cole,  
director of Water Sports, has a class of  
26 Life Savers who are working to pass  
the Red Cross tests this season.

## Bridgton Fair

The Fourteenth Annual Fair of the  
Bridgton Agricultural Association, Aug.  
7, 8, 9 went into the fourth day because  
of threatening weather and previous rain  
that upset the track for the races.

Tuesday was to have been Camp Day  
and as many of the camp boys were on  
hand and the baseball teams representing  
Zakelo and Koda, scheduled for a game  
in the forenoon it was decided to start  
the contest. Koda, which always has an  
excellent team, proved a little too much  
for Zakelo and clinched the game in the  
fourth inning when seven Koda runners  
crossed the home plate. The final score  
was 11-5, in favor of Koda.

There was a great midway featuring  
rides, shows, games, fortune tellers, re-  
freshment booths, and a host of catch-  
penny contraptions.

Kokosing will present a pageant, "The  
Forest Princess" on Saturday afternoon,  
August 18th, at 2:30 standard time, in  
the Pine Grove. It will be followed by  
an exhibition of Arts and Crafts.

There was a good display of cattle in  
a remote corner of the grounds.

The Fair officially opened on Wednes-  
day, the schedule being set ahead one day.  
While the track was not in the pink of  
condition, the rain held off long enough  
to dry out some and the races scheduled  
to be held on this day were in order.

There were two classes, the 2:25, trot  
or pace and the 2:16 trot or pace. Sister  
Napoleon, the chestnut mare, from the  
stables of Joseph Robinson, of Oxford,  
took the 2:25 in three straight heats and  
in the 2:16 Luke Bell, the black gelding,  
from the stables of N. T. Fox, Portland,  
took the race in three straight.

The summary was as follows:  
2:25 Mixed, Purse \$400  
Sister Napoleon, ch. m. (Jordan).....1 1 1  
Fly, Grace Hal, m. (Potter).....2 4 4

Luke Bell, m. g. (Fox).....1 1 1  
Gleaming Sil, m. g. (Hanson).....3 3 3  
Time, 2:17, 2:17, 2:15 1/4

The baseball fans saw a good game be-  
tween Bridgton A. C. and a team which  
termed itself Steep Falls, Bridgton win-  
ning easily by a score of 6 to 2.

The weather Thursday, the second day,  
was perfect, and crowds enjoyed the  
amusements, exhibits and races. A base-  
ball game in the forenoon was victory for  
Bridgton over Lovell, with a score 12-3.

The races Thursday were hotly contest-  
ed and low marks registered in the 2:13  
mixed. Summary follows:

## Old Book Room Treasures

By C. F. Whitman

The recording of an account of a trip to the Lake Umbagog region, the County seat of Oxford County, across that state and the Maine-New Hampshire border in the month of September, 1927, is a most interesting and a few notes on the trip will be equally pleasing to the patrons of the Advertiser. That was sixty-nine years ago when the upper part of Oxford County had been so thoroughly explored and its waters so well fished, that the tourists started in the party of a double horse team loaded with camp equipment and supplies for several weeks' stay.

They headed north up the Magalloway and stopped the first night at the old hotel, forty miles from the lake. It was described as a thriving place with two stories, a tavern, a hotel, a grocery, a blacksmith, and a few other prosperous farmers. This insured its prosperity.

During the party started on the morning of the 10th and went on to the lake. The road was a narrow one, and the party had to be careful of the horses. The lake was a beautiful one, and the party had a very pleasant trip.

## UP IN TOWN PHILOSOPHY

From News and Critic

"Mrs. Hall has had quite a job of hoeing this summer and still has more to do, that the weeds they do grow too fast and the old lady can't work as fast as she did sixty years ago, but she can knock the spots off most of the young sprouts of today. People don't like to work, they rather hold up some lamp post on a corner and make googoo eyes at girls as they pass by in knickerbockers."

This is worth trying and is so simple that anyone that is suffering with corns has this remedy right at hand. Simply take a small bit of cotton, dampen it and cover with common baking soda, bind on the corn, renew as needed for two or three days, at the end of which the corn comes out like a ripe wart.

A remedy that cures poison ivy troubles. Get ten cents' worth of Angelica root at a drug store; pour one pint of grain alcohol over it, wash it off and it will kill the poison.

"The Home Folks had about as many boys pulling weeds on their potato patch as there are bees in a hive. It's amusing to watch some of them working. Some watch out on their overalls and when he is not looking they pull up the tops, pick off the potatoes, put the top back and eat the potato."

## EAST STONEHAM

Mr. and Mrs. Frank Grover and Mr. and Mrs. Bert Dandman and family were callers at Errol Barker's, Sunday.

Mr. and Mrs. J. C. Flanders and son, Mrs. J. Fowler, Mr. and Mrs. Clarence Roberts and son and Everett Roberts, all of Auburn, and Mr. and Mrs. Raymond McAlister had a picnic dinner on the shore of Lake Umbagog, Sunday. This spot is getting to be quite a popular place for tourists, as nearly every Sunday you will see cars parked along the shore and people cutting their lunch down on the shore of the lake.

Lucie McAlister is visiting her niece, Bessie Rankett, at her camp in Albany. East Stoneham was certainly well represented at the circle at North Lovell, Friday evening. It is hoped that the North Lovell people will come to Stoneham to the next circle.

Raymond McAlister swapped cows with Sam Ray of Norway.

Charles McKeen and daughter, Bessie Rankett, Raymond Smith and Virginia Sanborn were recent callers at Lucy McAlister's.

Inez Barker visited Gertrude Barker, Friday.

Mr. and Mrs. W. J. MacLean and friend, Miss Lane, called on Mr. and Mrs. Raymond McAlister, Thursday night.

STUDY OF AMERICAN HISTORY  
IN LONDON  
Committees have been appointed in New York and London to raise an endowment for the establishment in the University of London, England, of a chair for teaching and research in American history. The plan is to raise a capital sum of approximately \$150,000 (\$20,000 to provide the salary of a professor and to some extent for the maintenance of a library in connection with the department. The University has at present a lectureship in American history, which has made it possible for undergraduate students studying history for their degree to devote one-third of their time to American history after 1918, and for organized postgraduate study of American history. Establishment of the chair will not only give this subject university status but will involve the preparation of textbooks on American history for use in secondary schools.

## Heard and Seen at Advertiser Office

Clipped from an exchange: "One day recently the attention of the Danvers was called to 'Jim' Stone of Harrison, as he is commonly called, with the remark, 'Did you know that he looked like Calvin Coolidge?' Though the two men would probably never be taken one for the other, there is certainly a resemblance."

Shorty Cook's comment: "'Jim's' features may resemble those of our president, but his politics are decidedly different. He walks on the opposite side of the political fence."

Robert Harrington, 23, who has been helping in the back shop since the first of May, left Friday, for St. Johnsbury, Vt., to work in the E. H. Cowles printing establishment. He learned his trade with the Delaware Press in Albany, N. Y., some eight years ago, and as a journeyman printer, has since worked in 32 offices, scattered from Maine to Iowa. During the summer of 1927 he had employment in the Oxford Democrat office.

George Stephenson claimed the sport mackinaw that Leo Walton picked up on the Waterford road. The garment was advertised last week and for a small cost George recovered a handy garment, thus he saved a bit of change.

A letter from F. W. Sanborn, who is at Battleboro, Vt., says he is getting well, and that he will soon be on his way to Springfield to the specialist. He also says, "Am feeling well and gaining in weight and having a rather agreeable visit here."

Dr. F. E. Drake, Portsmouth, N. H., sent us a copy of "The Portsmouth Citizen" for inspection and information. There are eight pages which devote much space to defects about town in the glare of its slogan, "An Exponent of Truth, Fairness, Honesty and Integrity." Somebody's ears must burn down that way for plain facts are served without silk gloves or sugar tongs.

## WOMEN LEARNING TO UPHOLSTER

Oxford County Farm Bureau women are now mastering the art of refinishing and upholstering furniture.

At East Bethel fourteen women attended the meeting on upholstery and five articles of furniture were worked on.

"Down to the springs for a good job" seems to be the motto.

Other meetings on upholstery will be held August 14th at Brownfield; Aug. 15th at East Fryeburg; Aug. 23d at Rumford; Aug. 24th at Peru and Aug. 28th at Denmark.

Sometimes when a woman argues the best she can do is convince herself.

## Camp Watwin

Camp Watwin, the annual girls' camp conducted by the Maine Council of Religious Education, will open Saturday, August 18, and continue through the next week. The camp is open to all girls of the state between the ages of 13 and 16 and offers the best in sport, entertainment and Christian fellowship that can be obtained. Miss Ruth Benson, of Boston is the director and having held this position since the camp was started, is well known and loved by girls all over the state. She will be assisted by seven counselors, all prominent in religious and social work with girls.

The site of the camp is at the State Y. M. C. A. Camp at Winthrop Center on Lake Obooseneque and is one of the most ideal spots ever used for this work. There are six lodges, each housing 8 persons, a dining room with a capacity of 300, an auditorium for meetings and indoor sports, an infirmary with a nurse always in charge and a headquarters building. These are all situated in a beautiful grove of tall pines, which slopes towards the waterfront, giving perfect conditions in rain, weather, A wellhouse on the campus supplies water from 133 feet below the surface and also houses a pumping outfit for the fire prevention system which reaches to all parts of the grove.

Between two large floats there is ample room for over a hundred swimmers, who prefer shallow water and a diving float out in the water offers opportunities for the most proficient to exercise their skill. The swimming is always in charge of a large number of American Red Cross Life Savers and is supervised by them. The camp has been used, no serious accidents have occurred in the water. There are also many boats and canoes which are used only by those who can swim well and always under careful supervision.

For field sports there are two baseball diamonds, two volleyball courts, a one-hundred yard straightaway track, six tennis courts, and an archery field. The kitchens are modern, sanitary and satisfactory to the most critical eye. A French chef provides the best of food and a head waiter is always in charge of the kitchen and dining hall.

Many boys from Norway and Oxford County have attended camp at this place, others have attended church and leadership conferences.

It is one of the best places to spend a week or a summer that can be found. Camp Watwin offers at small cost an ideal, safe vacation for any girl. Information may be received from the Maine Council of Religious Education, Press Herald Building in Portland.

The community would be greatly aided by the attendance of some of our girls.

## APPOINTED COUNTY AGENT

Miss Evelyn M. Plummer of Head Tide, a former boys' and girls' club member and a graduate of Nason Institute this year, has been appointed county club agent for Oxford County. She is the first full time club agent appointed to Oxford County and one of five who are to begin their new work on August 16.

Following her graduation from Lincoln Academy, in 1925, she entered Nason Institute at Springfield, completing a three year course in June. In high school she was editor-in-chief of the school paper and at Nason took part in dramatics, was a member of the glee club and vice president of the Y. W. C. A.

She was a club member three years and winner of the Knox-Lincoln County championship in sewing in 1925. She was a member of her club demonstration team and has coached other teams. The quality of her club work won for her a trip to Eastern States Exposition at Springfield, Mass.

With such a fine background of experience and training and the additional fact that she was born and brought up on a farm, Miss Plummer is unusually well qualified for the position to which she has been appointed.

For several years Oxford County has had the largest boys' and girls' 4H club enrollment in the state. This year there are about 600 members, which is nearly 200 more than any other county. During the rest of this year she will work with the county extension agents, Edith H. Braden and Donald H. Ridley, who have been directing club work in the county. Next year she will assume entire responsibility for this important extension activity. She is to be located at the Oxford County farm bureau office in the Association Building, South Paris, where the other two agents have their headquarters.

## OXFORD

Miss Farris named as Epidemiologist

Dr. Clarence F. Kendall, State Commissioner of Health, has announced the appointment of Miss Mamie E. Farris of Oxford as assistant epidemiologist in the Health Department and assistant to Dr. George H. Coombs, director of the Division of Communicable Diseases and Social Hygiene.

Miss Farris, who is the daughter of the late Dr. H. R. Farris, for years a practicing physician in the town of Oxford, was graduated from Bates College in the class of 1927 and has studied for the last year at the Public Health School at Yale University. She has already entered upon her new duties, filling the position made vacant by the resignation of Dr. Amanda Stoughton, who has gone to Washington, D. C., for work with the United States Health Service.

## HARBOR

Hazel Emery of Waterville is a guest at W. E. Thompson's.

The Ladies' Aid met with the president, Mrs. S. G. Guplin, Tuesday afternoon. After the work Mrs. Guplin served lemonade and sponge cake.

Mrs. W. E. Benson spent the day, Thursday, with her sister, Mrs. C. P. Gray, at Fryburg village.

## Harrison Old Home Day

Sixth Annual Event a Big Success

The sixth Harrison Frolic and Old Home Celebration was held last week, Thursday, Friday and Saturday. The whole affair was in charge of the William I. Pembroke Post, American Legion and the Bristol Studio.

The first sign of activity was the decorating, which started early in the week. Strings of bright colored flags were placed across the two main streets and the buildings along the street were well covered with banners, flags and all that goes to make street decoration. A band stand was erected in the common and along the sides were several booths run by Legion boys. Throwing darts, tossing rings and the favorite Old Legion game, "Beano," were the main attractions, with a few gathering around the place where the winners of a blanket, a merry-go-round beside the Bungalow Playhouse kept the kiddies entertained while Moxo Barker's vaudeville show with the pretty girls held the attention of many of the crowd who were not accompanied by their wives.

Festivities started Thursday evening at 7 p. m. with a singing led by Charles Harrison, Jerome Swinford and Ellsworth Siker. At 8:15 an entertainment was presented by "Susie's Kitchen Cabinet Band," which consisted of 20 ladies in a comical musical program. All the concessions were in full swing all three evenings and at 8:30 Friday, a Cabaret and Carnival was held in the Bungalow Playhouse. A program of dancing, singing and tumbling was offered between courses and dances and a pleasant evening was enjoyed.

Saturday was the crowning day of the event, the annual Old Home Day. At 10 o'clock outboard motor boat races started. There were nine small speed boats in addition to many others of a slower nature in the small harbor which made a very pretty picture but a noisy one nevertheless. The first race was a Class B affair with seven boats entered, including the "Baby Out-Craft" from Norway Lake, driven by Donald Wood. Since Wood was thrown out of his boat the day before while practicing turns, he was a little skeptical about cutting corners. This hindered his progress somewhat and in the first heat he came in third, the heat being won by Brown of Lovell. Every time around the course saw Wood making his corners closer and better, in the next two heats he was easy winner giving the local boat a first place at the start. The time of the three heats was 4:54 1-2, 4:53 and 4:52 for the course laid out by boys.

The Class C contest next with four boats more powerful and more speedy, entered. This race was held up for a few minutes while all contestants came to the docks and removed the mufflers from their motors. During the short interval, a race of Harrison boats was run in one heat and only one lap around the course. This was won by P. Alf, time being 3:28 minutes. The mufflers removed from the four high speed motors they sounded like a flock of aeroplanes as they went out to the course. Evrard motors proved the best in this race. The runners running nip and tuck for first place.

The Parachute Aero boat owned by Guick Camps won all three heats of this race, the time being 4:22 1-2, 4:25, 4:25. The last race was a free-for-all with nine boats entered. A sudden shower shortened this race to two heats, both led by Guick Camps. Miss Virginia, another Evrard powered boat, also did well, while the other seven boats fought for third place a few rods back. George Wood of Norway took third place in this event by a very close margin. The time was 4:15.

Before the races had finished the band concert, which was scheduled at 11 o'clock, had started. For about an hour the Norway-Falls band, the excellent leadership of Gustav Heim, entertained with martial, classical and popular music.

Soon after 2:30 the big parade got under way. It was not as large as in previous years but extended well through the town. The Veterans, Drum Corps of the Ralph D. Caldwell Post, No. 120, American Legion, of Woodfords led the parade which included several well decorated cars, a truck with two monkeys driving little autos on a platform, the Harrison fire truck was a large delegation of Camp Ha-wa-ya boys carrying camp and waving flags, some afoot and others on horseback.

At the conclusion of the parade, the band again gave a concert in the square, featuring a trumpet solo by Mr. Heim. "Texas" Benson, the Oxford County Vaudeville, 40 and S, entertained for some time with roving stunts.

Supper was served in the Rehoboth Hall and was well patronized. At 7:00 o'clock all the members of the William I. Pembroke Post, the Ralph D. Caldwell Post and the members of the 40 and S grouped themselves into the bandstand and a picture was taken. The candidates for the 40 and S were then taken to the Grange Hall for preparation led by the Drum Corps. While the operations were going on inside, the members of the Drum Corps entertained the onlookers with many impromptu selections. At 7:30 the torch-light parade was started led by the Drum Corps. Four candidates, attractively dressed in burly, old style and "What have you?" were led in prison formation in the center of the parade. Each member also carried one or two placards with very appropriate mottoes and sayings; their faces also showed the same of great quantities of burnt cork and rouge. These hideous specimens, were paraded through the streets and then into the bandstand where they entertained the whole crowd with blindfold boxing and many other stunts under the supervision of "Texas" Benson. They were, at the end of it, all full fledged members of the 40 and S. The following were initiated: Commander Burnett, Commodore Adjutant Robbins, Vice Commander, Curtin, one of our business men of the store of Gunnison & Martin. She was a graduate of W. P. S. of the class of '28 and has many friends and is a good pianist. Mr. Ames is from Lewiston.

The cement bridge is being repaired, caused by washouts. Beatrice Martin and Arnold Ames were married last week at Ferry Beach. Rev. Eleanor B. Forbes, Mrs. Ames is a daughter of Mr. and Mrs. Charles Martin, one of our business men of the store of Gunnison & Martin. She was a graduate of W. P. S. of the class of '28 and has many friends and is a good pianist. Mr. Ames is from Lewiston.

The three days' festivities were brought to a splendid and appropriate close by the concert given at the Bristol Studio by Martha Atwood, soprano of the Metropolitan Opera Co. assisted by Stuart Ross, pianist. The following program was heard:

Separations ..... Scambati  
An Ode ..... Mozart  
Non Più ..... Liszt  
La Chanson De Cigale ..... Lecocque  
Theme and Variations ..... Correll-Stuart  
Ballet Music from Rosamunde ..... Schubert  
Spanish Dance ..... Granados  
Serenade and Aria from "Carmen" ..... Verdi  
Miss Atwood

Walter: "Tales of Vienna Woods" Strauss-Tausig  
John Anderson, My Joe ..... Arr. by Jensen  
O Dear, What Can the Wind Be-arr. by Jensen  
Coming Home ..... Wilby  
At the Well ..... Hageman

Miss Atwood scored a tremendous success in one of the most delightful entertainments ever given in Harrison. From her first appearance on the stage her charming personality, gracious manner and perfect poise fairly captivated her audience, while her marvellously sweet voice, exquisite diction and phrasing, wide range and flexibility, proved her an artist of the first rank.

Miss Atwood's ability as a dramatic

artist is by no means small and her delightfully sympathetic interpretations of her songs made them effective. Her program was unusual in its numbers. She has departed much from the beaten track. Mr. Ross' playing also scored a great success, both technically and interpretatively, and both artists had to respond to the demand of the large and enthusiastic audience with many encores at each appearance.

The surprise of the evening constituted duets by Miss Atwood and Alessandro Alberici, the baritone.

The Bristol association, under whose auspices this concert was given, are especially grateful to Messrs. Crassey & Allen of Portland, who so kindly allowed them the use of an excellent Mason & Hamlin piano.

Much of the credit for the success of the celebration is due to the untiring efforts of Mrs. Charles Harrison, Mrs. Lillian Stradling, Mrs. H. R. Danison, Mrs. Helen Gerhart, and a host of others too numerous to mention. The general community spirit was excellent and an important factor in the ultimate success of the celebration.

Special mention should be made of the good work by the Legion. Commander Burnett and Vice Commander Curtis at the front of the program.

With the exception of a short shower at noon, the weather man treated Harrison well. The town was packed with people and the events went off in a manner that carries with it nothing but success.
